Cause of death
is suffocation due
to strangulation.
There's no sign of
the room being
disturbed.

The victim is
Mitsuru Kurosaki,
19 years old,
a freshman
at Sakuraba
Mitsuru Senior
College.

That's still
so young...
The poor
soul.

IXS
started

But you're still having
to go back
to the land
of law
enforcement
now?

Hey,
Officer Moon,
I heard you
got transferred
to our station
here from
the HQ.

I see.
Thank
you for
your
help.

I don't think
she was the
type who
likes making
enemies...

I heard
you were
sent here
because you
divorced your
superior's
daughter...
is that true?

Wait
on the
sidewalk...

That's not
important
right now.

Thank,
but I don't
want your
concerns.

I don't care,
but focus
on the case.
Yamaguchi.

Oh, there should be "Witness 001".
It's not harder to a reporter to
steal a newspaper. The sheet is
probably wrapped in a plastic sheet.

My gut
tells me the
"sheet" is an
accusation
of him.

There's no sign
of forced entry
and the body was
found covered
with a sheet.
The killer probably
couldn't stand
leaving her lying
around like that.

Looking at
these facts, I'm
guessing the
killer is someone
who has special
feelings for her.
A lover, maybe?

There's a team
now, so we must
get to know
each other.

By
the way,
I'm also
discovered.
And we're
pretty close
in age
to be old & old
friends,
shall we?

And my gut
is telling me...

That's how
I work.

I can't say
I believe
that kind of
subjective
analysis.

you're bad at
understanding
women, aren't
you?

Heheh...
what
the hell
are you...

That's that's
why you're
divorced.

So what?

You won't
get like me

I just can't understand.

Murdering someone because of that...

He killed her on impulse when she wanted to break up with him.

The killer just turned himself in. He was indeed her boyfriend...

How stupid.

What he did murder her, there is no question about it. But it's not impossible to understand his feelings...

So my analysis was correct after all. What is it? You don't look so happy.

Hey, let's pick up where we left off. How do you feel about me?

Love turns people into idiots. However, you have really in love with someone?

Good night.

That's what
I'd do normally

I'd definitely
discard him
for the next
one if I were
you

If our usual
needs don't
match and
he doesn't
seem to be
interested
in me,

Maybe... Well,
it is a problem

Oh, my!
Super-
short!

Yes I
definitely
find a
better
one in
no time!

But I just
can't tell
whether the
likes are
or not!

Sorry for
overbearing
the talk. But,
how about
me for your
next one?

May
match

He, um, he just
sounded very funny
like just want
to know if he
really said
something...

Are you
satisfied with
my work?

He
would
never
do such
a thing!

Please,
and an
excuse!

Aaah!

Both said
every one
of them...
Well,
because it's
going to be
like this,
but...

There's no
helping it.
Let's not be
realistic.

Idol

Ugh...

You're the
ID-aid man
from back
there!

How
important
Dad
was!

What the
hell? After
embracing
me like that,
now you're
going around
saying I don't
know you?

They
talk so
seriously

Children
and their
terrible
education
these
days.

Right-
okay, let's go

And He
must have
mistaken
me for
someone
else.

And there you are!

Hehehe...

Huh?

Important Don
old man.

Don't tell
me you
went looking
for him!!

I heard all
about it from
that smart
boy we met.

Man... don't tell me you're serious? Was most of the way making him about 32?

In the end I realized I can only have sex with someone like you!

But I didn't do it all the way, I never!

Ah... well... I got carried away sometimes...

Of course not. I ran into him again.

I never thought you could go so low.

Satou! Let's go for some questioning.

Heh... I did it because it'd be a problem if it became a full-blown scandal.

Are you going up with you from now on.

Hold that thought, don't you usually go with Tetsuya-san?

So after being scolded by the teacher for coming late the previous day, he came to school with a kitchen knife and stabbed him.

The student who stabbed his teacher finally confessed.

He couldn't participate in club activities due to an injury and his parents reproached him a lot about the future. Those things were driving him out.

I see.

I thought
you didn't
really care?

This is how

The victim is currently unconscious in a critical state and therefore cannot be questioned.

The victim is Sakae Katsuragi, a teacher of Matsubara High. He was stabbed with something sharp.

The suspect hasn't been found.

The assault was done before the bell even started. It seems to be an impulsive crime on the spot without any opponent planning.

With so many people around, just others do we have to start from?

I wanted to find out.

Hey, did

Which
customers?

Fig, we

I'm sorry

Hey,
that's
fine.

We have no

But there are so
many of them.

I had been

that's gone.

No,
I want

judging from

it's most likely
grandfather!

So he demanded intimate relations, and you consented to marry?

Yes... I couldn't help it! Sometimes I said I can't give him anything, he threatened to tell my family and colleagues about my secret feelings...

Where is an equal relationship, aren't you?

Where a relationship isn't equal, the sort of misfortune is bound to happen.

We're from the
Central Security Office
Barons of the Tokyo
Navy Police Station

What's
that's
saying...

The victim
is a male,
approximately
30 to 35 years
old. Looks like he
was murdered
somewhere else
and then
moved here.

One part of me always
can't let it
be a rational
decision
to get in, and to this
relationship
as soon as
possible.
But why am
I not doing
anything?

Even though
I know the
real part of
me here, and
a relationship
with would
definitely be
difficult.

Yeah
is that all? In
the end...

The only
thing I can
do is to
keep my
mouth shut
and not
think about
it.

The crime scene is a restricted place, but some people in the neighbourhood saw a suspicious lady-wrapping her car on the side road and did something.

The victim found in Yamamoto Park is Harasachi Ichirou, 28 years old, a male host.

I am...

I lost my father at an early age, so I guess the words "father" is of a good father to him.

Maybe more than that.

What? How we get to be kidding.

Well, you do look a lot like his younger self. But your face and the attitude.

Kuso-chan, did you just laugh?

Is it a problem if I did?

I think it won't be bad to let him feel something.

hah

STRANGE
FACE

He was all
suspicious and
jealousy until
just now, how
simple-minded

You never...
I don't remember
ever seeing you
laugh! Do it
again, come on!

How can
I laugh when
there's nothing
funny to laugh
about?

I am...

What a
minute...
you're
shrinking
people's
heads here?

I just
happened
to see it...

And the
next... he
didn't get it
for free
He thought
the lot of it

I gave the
receipt
to the
trash bin

You should
go home to
your God
every week
or a while.

It's not the
funny because
the ground or
anything.

Super
dick.

I give up—
Please,
take me.

What's wrong
with you all of
a sudden, ?

How did
I come to
this...?

I don't
mind if
it's you.

This is
embarrassing,
so please
hurry...

Well... how
should I do it?

It should be
the same as
having sex
with a woman,
right?

What a man!
That would
be kind of
fun, wouldn't
it?

Ugh... it's getting
hard to breathe.

What is this
process??

If I take too
long, he'd
surely make
fun of me.

Oh you're
finally
here, my
all-star!

Don't
worry
about

Welcome
and nice
to meet
you...

I'm
Takamaru
but I
prefer
My name
is Kage

To protect the one
precious to me.

You are
hanging
around
are like
a parasite
sought as
a pest!

It's nothing really.

Let's stay together forever, okay?

Isn't it just for us to go for another meeting?

Despite that, lately you only come to my house for dinner than go there.

Haha... Do you want me to stay the night?

Stop joking around... You're waiting for something.

Just as I thought... He's not fool.

Now tell me everything!

If you don't find him in one hour, the money will go "boom!"

Soon a package will be delivered to you. Your dad's location is written inside.

Hey! What, however?

What are you doing? Your friends, someone's gonna see, you know?

My previous someone? Like are you talking about?

DAD!

Your son is a smart one, huh?

Of course he means your dad!

You idiot!

Emergency

He used someone
precious to me.
You were the first
thing that popped
into my mind!

We have
to report
to our bosses
and get them
to move
now.

There's
no time
to argue
the idea!

Dispatch
all available
units. Give
moving order.

We... we
have to find
the hostages no
matter what!

We must
search all
these locations
within an
hour...

Close,
got it.

Someone
told me to
meet him
alone.

I'll go
with
you.

But with
communication,
we can hear
everything
that happens.

No, if I put
myself in
danger, I'm
going alone.

Super-
duper, help
me find
my Dad.

All right...

Well, it's not hard just killing your dad like that.

Let's play a game.

What do you want?

Do you come alone?

There are 4 bullets loaded here... With each shot, I'll give you a hint of your dad's location.

Warren da B?

Sure.

Sorry,
I was being
brutal to you.

I'll just have
to get it out of
him by force.

Where
is he?
Tell me!

Ugh!

Just wait
some more
until it goes
"boom!" then
I'll tell you!

Ugh,
also know!
You won't find
out by shaking
me to death,
that's for sure.

How did
you do all
that for
myself?

Really.
Thanks
a lot.

And even
though I said
I'd protect you,
I ended up
being protected
by you.

Don't mind it.

How day's clearing?
Let's go, Tsugumasa.

Oh, surprise.
There's a white hair...

You must
have a lot on
your mind

Don't
just pull
it out!

And you're
the cause
of most
of them.

So you
admit I am
in your
thoughts
that much?

It will your precious someone and takes you all through the same ordeal I did.

Huh? What does it do this time up!

Doesn't that bit all of a sudden!

I thought I saw some one who looks like a wanted criminal...

Huh?

Okay, okay, you're right.

What's going on? Why are you looking at me like that? I'm not a criminal, I'm just a man who wants to live a normal life.

You told me that, didn't you? It's not like I'm a criminal, I'm just a man who wants to live a normal life.

It's because you're finally giving out your number to people, just like the other case before.

Maybe he's back for revenge?

Maybe he's just a man who wants to live a normal life.

What is it about?

Just a drink call, I guess...

STOP
RESISTING!

TURN IT
IT WAS YOU
WHO SHOT
HIM! NOW
DARE YOU
KILL MY
BROTHER??

And with that
resolution I ended
the spent time as part...

REMEMBER
THIS! WHEN
I GET OUT,
I'LL HAVE
YOU PAY!

Why do I
have to wash
your dirty laundry?!

Or

You stop over
and eat here
everyday-as if this
was your home!
And now I have to
do your laundry,
too? You think
this is a joke?!

While
I'm
at it?

Ah...
well, I just
thought...
while you're
at it.

Come on,
let's take
turn doing
the laundry
and the
cleaning.
Don't be
so angry.

You think
you can
get away
just by
paying the
groceries?

The laundry,
the cleaning.
Come I got
my salary,
I'll pay for
the groceries.

まだゲニアさんでコミックスを出して頂けました。

本作は、登場の数が多いので読者様つうは難しい所もあると担当様にも思われていたのですがこうして1冊に収まるまで描かせて頂けました。

有難い事では。感想を下さった読者様のお話でもあります。

そもそも、担当様が例年ものがお好きでなければ、この話も成立しなかったと思います。色々、相談しちってなのでご面倒を掛けたくりでは。

そんな本作では
続きを描く事になりました！
もっと楽しんで頂ける物になるよう頑張りますので
読んでよろしくお願ひ
いたします <(_ _)>
